Little Tigers program

We offer:

- ⇒ 45 mins. of fun and learning program for kids 4-7 years old
- ⇒ Safe and educational environment
- ⇒ CPR certified, experienced and specialized instructors
- ⇒ Small class ratio 1 : 15

In this program:

Children will gather for a warm up to start.

After, they will train on basic techniques working all areas of development: physical, emotional, cognitive, social and psychological.

Each child will work on their own pace and ability until they master the needed technique to advance to the next level.

At the end of the session children will have a stretch or game time, just enough to energized their morning!
